The Corporation has also approved of this recommendation. I feel that Sri Narasimhaya has no manner of claim to the house or the site on which the house now stands which belonged to the Corporation. I believe that this is in addition to 17 sites previously granted to them. Having regard to the number of poor & homeless Harijans who intend building houses in Gorpalya, I feel that 25 sites (as against 25 sites proposed by the Standing Committee) should be reserved for Harijan applicants out of 120 sites now formed. 6 Thereafter I submitted an application to the Corporation authorities bringing the above facts. The Commissioner, the Engineer and other officers have recommended my case for sanctioning and removing the said late Chikkadasappa father of Chikkaputtappa.

7 The said Chikkadasappa died. That after his death the said site and house was made in the name of Chikkaputtiah by the standing Committee thus depriving my right to the property.

8 In this connection I beg to state that the standing committee has not considered my case nor has they heard of me. They never looked into the records and some how or other the said site was made to the name of Chikkaputtiah who is very influential in the corporation.

9 I submit that I have no house or site to build a house. The said Chikkaputtiah owns 5 houses in No. 125 site measuring 80' x 30' and he has constructed a house in site No. 134 (Old No. 14) without any license and has rented out. This site belongs to Corporation and measures 80' x 30'. He is now living in my house ~~xxx~~ in a portion and he has let out another portion also.

10 I submit that the Municipal Corporation have deprived of my just rights even though I have submitted several petitions. I therefore pray that your honour may be pleased to call for the whole records from the Corporation Office and kindly confirm the said site and the house constructed by me on the said site and thus help the poor sufferer. At any rate there is no reason to deprive me of the property and to grant the same to the said person. For which act of kindness I shall ever remain grateful to you Sir.

Respected Sir

I beg to bring the following to your kind consideration and early favourable orders

I beg to state that I have presented an appeal to your goodself on the 14th June 52 appealing against the order of the corporation registering site No 1 (Corporation No V 103, 104 & 105) Goripalya, Bangalore City in the name of one Chikkadasappa. I may state here that the corporation marked out 17 sites for in Goripalya and granted the site No 1 to me. They also granted to me 630 tiles free of cost and constructed a house on the said site No 1 but as detailed in my original appeal of the 14th June the corporation illegally assigned the said site with the construction thereon to one Chikkadasappa who occupied the house in my absence and they have transferred the khata of the said house which was mine to Chikkaputta on the death of his father. Thus illegally I am deprived of the said site granted to me. The said Chikkaputta has on site No 125 - 5 houses viz V34, V35, V36, V37 & V38 besides he has constructed on the corporation site No 134 which though not assigned to him has constructed two houses Nos V69 and V70. In addition to these he has occupied my house on site No 1 and being an influential person he influenced the authorities to register the said site No 1 in his name even though the construction of the house was made by me on site No 134 - house Nos 60 and 70 without any license or plan from the corporation has constructed houses and

rent and in spite of representations to the corporation
no action was taken as he is influential

I therefore request you to be kind enough to do
the needful in the matter and obtain the records from the
corporation and pass orders granting the said site to me
to me as I have constructed the house and thus render justice
to a poor man who is houseless

For which I shall ever be grateful and thankful

I remain Sir

We beg to bring to your kind notice that previous to 1938 we were residing near Shankarmutt and on account of broadening the Shankarmutt we were asked to leave the place and thereafter we are residing in Goripalya We constructed temporary sheds in Goripalya and were paying at the rate 4 as per hut to Government and we hold records of these facts which will be produced when called for

In this connection we beg to state that M/s Darashaw B Rachappa and Sri R Subbanna the previous commissioners and mayor came to the spot and asked us to remove the sheds and that after bulldozer the levels of the field the sites would be given to us alone As they assured us of the return of the sites after its formation we have removed the sheds and went

to reside in rented houses

The then Commissioner Sri Darashaw informed us to put applications to the Trust Board and that they would recommend the grant of the sites alone. Accordingly we submitted applications to the Commissioner Chairman of the Trust Board Executive Engineer etc requesting for the return of our sites. The Local Minister has visited the spot and also ordered the Engineer to give us our sites as per the previous measurements.

We are enclosing herein the plan of the site (submitted with our application of the 23rd October 52). The measurements mentioned in the plan are in accordance with the measurements we held the sheds previously.

We also beg to bring to your kind notice that we have made representation on this subject on 23.10.52 but we regret we have not received any Endt nor any action seems to have been taken in this behalf. We have also submitted representation to the Hon'ble Minister for Local Self Government etc on the same date and made inspections consequently.

Under the above circumstances we request you to kindly grant us sites to all of us as per the said measurement shown in the plan as all the officers have promised us of the allotment of the sites in lieu of the sites taken away from us at Shankarpur Mutt. We may therefore be granted the sites at reasonable rates and thus enable us to construct houses and to live therein.

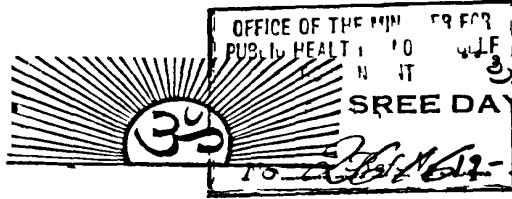

We trust that the matter will not be unduly delayed in view of the hardships we are already undergoing and sites as marked in the plan submitted on 23.10.52 be allotted early.

For which we will ever be grateful

Respected Sir,

We the members of the managing
committee of the above Sangha are forced to the
painful necessity of bringing our woeful affairs
to your honour's kind notice

It is an admitted fact that Mysore is a
Model State and the uplift work of the oppressed
classes is also equally exemplary But we are
extreamely pained to state that the very reverse of
the above fact has taken the lions share in these
days,

It is a well known fact to your honours
self that most of us who are put up at Gowripalyam
Centre have been living in this City since last
30-35 years At first we were dwelling at the place
where the present Shanker Mutt stands But the
better placed cityzens asked us to quit that place
and to put up our sheds at the present Murugeshapal
But that place being quite insufficient for ~~mark~~ ^{members}
Kannada and Tamilians the Kannada members were
asked to apply for the open area at the present
veterinary Hospital and farther on at the Kengunte
area etc But none of these places were given to
us, and we were most cruelly pushed to the unhealth

then Minister and the Municipality (This fact may kindly be got investigated)

Thus the troubles caused by these means delayed the grant of sites to our Sangha, inspite of the fact that those sites were definitely proposed to be granted to this Sangha during ~~the~~ during the Mayorantly of Sriman R Subbanna

At this stage Sriman N Keshavieygar, B A LL B became the Mayor, and he was kind enough to get the whole area of Gowripalyam and its surroundings, levelled up. Thus the entire available land has been ~~at~~ turned into suitable sites by the very initiative and representation of our Sangha. But still it seems that the present corporation is proposing to grant these sites to some Tamilian people ^{and} other caste Hindu members. The applications of these people, we understand, are made to be brought in by the influence of interested parties and by unfair means.

It is an account of such unjust acts mainly due to the larger number of Tamilian members in the Corporation, a representation was made by our Sangha to the Ministers for public health and local self Governments just a few months ago, and he was kind enough to cause the issue of a stay order. But till now no justice is done to the Sangha members by the Corporation.

What we make bold to say here is that if the Corporation is of the opinion of granting the above sites to other members as stated above, instead of granting to the Kannada members of our Sangha, such an action will deprive a large number of houseless, yet lawabiding people, waiting since the last 15-20 years, of the opportunity of getting convenient sites, and will encourage the intruders who have not only built unauthorised houses but some of them possess more houses than one, inspite of the fact that most of them are non-mysoreans and are of recent settlement in this area.

30

Therefore, we request you/ sir, kindly to cause an investigation into the facts of these ~~application~~ applicants regarding the possession of houses, or sites or otherwise; the period of their past living in this City; the real houseless condition, a comparative number of houseless families amongst the Kannada people and the Tamilians; their being mysoreans by birth; the law biddingness; constitutional representation and the long awaiting for the grant of etc by our people and also the prejudicial and corruptive trials adopted by the others to gain the selfish ends etc, before any grant of sites are made made

We also ~~make~~ bold to say in the light of these facts that, if such an impartial enquiry is made before granting the sites and justice is done to the long suffering large body of the people it shall be good for all and creditable to our Government, otherwise it will lead to greater confusion, quarrels and parties, fights etc for which we have not given room so far, owing to the peaceful guidance of the Sangha organisers and our own patience ~~and~~ ^{otherwise} we will be forced to seek justice by other means which may tarnish the fair name of Model State and our popular Government

We are led to think that our own law/biddingness, peaceful and constitutional trials have been the reasons for our being deprived of even the barest needs of life under the present Government in these days of Gandhian Era

We pray for due justice

We remain Sir,

In continuation of my petition dated 10th November, 1949, addressed to the Chief Minister, Government of Mysore, Bangalore, on the above subject, I write to state that I was informed in your Endorsement No L 2050 dated 20-5-50, that my petition was receiving attention

Further I beg to state that hither-to I was not informed the progress In spite of several reminders and the last reminder, dated 10th December, 1951, addressed to the Commissioner, Bangalore Corporation, Bangalore, I was not informed the progress Besides I approached the authorities several times but of no avail

Subsequently I am given to understand that I would be given a site in Goripalaya, Bangalore City, in S No 24 to 29 would be given a ~~site~~ and even to that effect no endorsement was granted to me.

Further, I beg to bring to your gracious consideration that I am a poor man, native of Bangalore, working as Lance Naik at the Provincial Reserved Police for about a period of 24 years, is and my big family, consisting of 13 members, is depending upon only my income and I have no got a house to live in nor a site to put up a building of my own
